

BRODYONLINE COLLAGE FOR CALLIGRAPHERS AND OTHER ARTISTS

CONTENTS OF THE COURSE

Welcome to my online course, *Collage for Calligraphers*, I hope you will enjoy these extensive lessons and develop your own approach to collage. This course will take you through my collage process in clear steps. The materials you need will be discussed in the videos.

THE FOLLOWING TEACHING MATERIALS ARE INCLUDED IN THIS COURSE:

Four PDF files containing the assignments, tips on how to create your own texts for your collages and examples of calligraphic styles to inspire the writing on your collages.

PDF file containing the timecodes in **all nine videos** for each step in the process. Note: there is a video 3A, so the final video is number 8.

EIGHT VIDEOS PLUS ONE EXTRA VIDEO (NUMBER 3A)

1. Preparing the basic collage
2. Coloring papers and writing on the collages
3. Collage on canvas
4. Collage on canvas reworked - extra video
5. Student work in progress; a collage carpet page; a collage self-portrait
6. Student work in progress; a collage botanical drawing; a collage letter sculpture
